@ 8 p.m.

There is no better way to spend a Sasebo summer Friday night than relaxing and unwinding with friends after a long week. Watch for Galaxies' upcoming Friday evening events alternating this summer between Galaxies and the Hario Pub. Each scheduled night will include a special theme, music, music videos, concert videos, classic movies, food, and friends.

While you're making your plans for a day at the beach or park, make your day a little easier by stopping by the Galaxies' food court, located on the second floor, for a couple of wraps made just the way you like. Choose from a generous selection of Tuna, Thai, B.L.T. or even Vegetarian. Pick them up, load them in the cooler and off you go to start your exciting summer day.
